Any amounts uncollected by CONTRACTOR will be billed to the DEPARTMENT via monthly invoice.

DEPARTMENT agrees to purchase five (5) female **sanction/hold beds** as set forth in Section 2(c)(12) of this agreement for a maximum of five (5) offenders at a rate of **\$50.00 per offender, per day for FY 2018 and FY 2019**. If CONTRACTOR is unable to fill all of these sanction beds, these beds may be filled with standard female prerelease residents at the current applicable female prerelease per diem rate. Total compensation for these beds is included in the total contract maximum amounts listed in subsection 1(G)(1)(a) above.

CONTRACTOR shall not exceed the combined capacity level for the facility. Capacity levels between male, and female, TLP, and ESP beds/slots listed above may be adjusted within this combined capacity total to account for occasional population fluctuations. However, CONTRACTOR may only exceed the combined capacity level by five (5) prerelease beds or slots (including prerelease, TLP, or ESP), or 5% of the combined capacity number, whichever is greater, within a 30 day period. The DEPARTMENT, at its discretion, may request the CONTRACTOR exceed its capacity level by more than 5 beds or 5% of the combined capacity number, whichever is greater, based on population needs, or other need identified by the DEPARTMENT.

- ~~f. CONTRACTOR shall maintain a male population consistency of 50% institutional offenders based on a 95% occupancy rate of total contracted male beds. To determine the male offender population consistency percentage, only male resident beds will be considered. Transitional Living and Enhanced Supervision will not be included in this figure. DEPARTMENT will conduct random audits to determine if CONTRACTOR is maintaining a male population consistency of 50% institutional offenders based on a 95% occupancy rate. If the institutional offender population consistency falls below 50% of the occupancy rate for three (3) consecutive months, with adequate referrals from the DEPARTMENT, DEPARTMENT will deduct 2% off the current per diem rate on the fourth month to continue on a month to month basis until CONTRACTOR regains the required population consistency. If it is determined DEPARTMENT is not providing at least 50% institutional referrals, CONTRACTOR will not be penalized.~~

However, prior to withholding payment, DEPARTMENT shall notify CONTRACTOR, in writing, of its failure to perform. The notice shall specify acts or omissions constituting the default. If CONTRACTOR fails to remedy the default or submit an action plan deemed acceptable by DEPARTMENT within 60 calendar days of receipt of notice [documented by certified mail], DEPARTMENT may withhold payments. If the institutional offender population consistency falls below 50% of the occupancy rate for three (3) consecutive months, with adequate referrals from the DEPARTMENT, DEPARTMENT will deduct 2% off the current per diem rate on the fourth month to continue on a month to month basis until CONTRACTOR regains the required population consistency. If it is determined DEPARTMENT is not providing at least 50% institutional referrals, CONTRACTOR will not be penalized.
- g. DEPARTMENT shall not reimburse CONTRACTOR for any offender whose length of stay extends beyond 200 days unless specifically authorized and approved in writing by the PRC Contract Manager or designee, prior to the expiration of the 200-day period.
