The daily per diem rate paid to CONTRACTOR for transitional living program (TLP) services - provided in accordance with Section 2(X) of this Agreement – is \$21.00 per offender, per day. CONTRACTOR'S goal is to maintain ten (10) offenders in this program at all times and the maximum amount paid to CONTRACTOR, as noted in Section 3(7), is based upon this goal and the corresponding dollar amount included in the contract maximum.~~
5. ~~DEPARTMENT agrees to purchase enhanced supervision program (ESP) services as set forth in Section Y of this Agreement for a maximum of eighteen (18) offenders at a rate of \$15.00 per offender, per day, with a guarantee of payment for six (6) ESP offenders, regardless of the actual number of offenders in the program. The daily per diem rate paid to CONTRACTOR for enhanced supervision program (ESP) services - provided in accordance with Section 2(Y) of this Agreement – is \$15.00 per offender, per day, with a guaranteed payment for six (6) ESP offenders, per day, regardless of the actual number of~~

Total compensation for these beds is included in the total contract maximum amounts listed in subsection 7 below.
7. Invoice amounts will be for up to one-hundred-and-thirty-five (135) male offenders and thirty-four (34) female offenders for FY ~~2008~~ 2010 and FY 2011. The per diem rate for male offenders will be \$47.75 per offender, per day in FY 2010 and FY 2011. The per diem rate for female offenders will be \$56.75 per offender, per day in FY 2010 and FY 2011.

CONTRACTOR shall not exceed the combined capacity level for the facility. However, capacity levels between male and female offenders may be adjusted within this combined capacity total to account for occasional population fluctuations. The maximum amount paid under this Contract for FY ~~2008~~ 2010 is ~~\$3,958,168.85~~ \$3,950,247.70 and ~~\$4,014,662.35~~ \$3,950,247.70 for FY ~~2009~~ 2011. These maximum amounts reflect the total compensation to be paid to CONTRACTOR for ALL services identified and provided under this Contract. Should the CONTRACTOR bill the DEPARTMENT in excess of these amounts, the DEPARTMENT will not reimburse the CONTRACTOR. When the CONTRACTOR fills additional male beds, to compensate for deficits in the female ADP, the CONTRACTOR agrees to accept the per diem rate reimbursed for male offenders.

8. Within ten (10) working days following the last day of each calendar month, CONTRACTOR shall invoice DEPARTMENT for contractual services rendered during the preceding month using electronic invoices provided by the DEPARTMENT. - ~~10. Beginning July 1, 2007 and ending June 30, 2008, if the CONTRACTOR does not meet the minimum requirements of a 90-95% bed occupancy rate per month, or maintenance of a male offender population consisting of no less than 50% nor more than 65% from an "institutional" setting per month, the DEPARTMENT will pay the CONTRACTOR a per diem rate of at least \$43.56 per offender, per day for male offenders from both an~~

~~"institutional" and "non institutional" setting and \$55.09 per offender per day for female offenders.~~

~~12. From July 1, 2007 and ending June 30, 2008, if the CONTRACTOR does not meet the minimum requirements of a 90-95% bed occupancy rate per month, or maintenance of a male offender population consisting of no less than 50% nor more than 65% from an "institutional" setting per month, the DEPARTMENT will pay the CONTRACTOR a per diem rate of at least \$43.56 per offender, per day for male offenders from both an "institutional" and "non institutional" setting and \$55.09 per offender per day for female offenders.~~

~~13. From July 1, 2007 through June 30, 2008, should the CONTRACTOR maintain a bed occupancy rate of 95% and an offender population consisting of at least 50% and no more than 65% from an "institutional" setting, the DEPARTMENT will pay CONTRACTOR a per diem rate of \$48.64 per offender, per day for male offenders from an "institutional" setting and \$42.72 per offender, per day, for male offenders from a "non institutional" setting and \$55.09 per offender per day for female offenders.~~

FISCAL YEAR 2009:

~~14. Failure to meet population consistency will result in the per diem being paid at the rate of \$44.44 per offender, per day for males and \$56.19 per offender, per day for females.~~

~~15. During Fiscal Year 2009, from July 1, 2008 through June 30, 2009, should the CONTRACTOR maintain a bed occupancy rate of 90% and a male offender population consisting of at least 50% and no more than 65% originating from an "institutional" setting per month, the DEPARTMENT will pay CONTRACTOR a per diem rate of \$47.89 per offender, per day for male offenders from an "institutional" setting and \$43.57 per offender, per day for male offenders from a "non institutional" setting and \$56.19 per offender per day for female offenders.~~

~~16. During Fiscal Year 2009, from July 1, 2008 through June 30, 2009, should the CONTRACTOR maintain a bed occupancy rate of 95% and a male offender population consisting of at least 50% and no more than 65% originating from an "institutional" setting per month, the DEPARTMENT will pay CONTRACTOR a per diem rate of \$49.62 per offender, per day for male offenders from an "institutional" setting and \$43.57 per offender, per day for male offenders from a "non institutional" setting and \$56.19 per offender, per day for female offenders.~~

17. CONTRACTOR shall maintain a male population consistency of 50% institutional offenders based on a 95% occupancy rate of total contracted male beds. To determine the bed occupancy percentage, female beds, Transitional Living services, Sanction beds, Aftercare beds, and Booter beds will not be included in this figure or in the offender population consistency percentage. Only male beds will be considered. CONTRACTOR will determine appropriate per diem pay plan to bill each month, and note this on their monthly invoice. DEPARTMENT will conduct random audits of CONTRACTOR'S monthly billing invoice. DEPARTMENT shall make adequate referrals to CONTRACTOR to allow CONTRACTOR to maintain a male bed occupancy rate of 95%. To determine the male offender population consistency percentage, only male resident beds will be

considered. Transitional Living, Enhanced Supervision, Booter Aftercare, and Sanction beds will not be included in this figure. DEPARTMENT will conduct random audits to determine if CONTRACTOR is maintaining a male population consistency of 50% institutional offenders based on a 95% occupancy rate. If the institutional offender population consistency falls below 50% of the occupancy rate for three (3) consecutive months, with adequate referrals from the DEPARTMENT, DEPARTMENT will deduct 2% off the current per diem rate on the fourth month to continue on a month to month basis until CONTRACTOR regains the required population consistency. If it is determined DEPARTMENT is not providing at least 50% institutional referrals, CONTRACTOR will not be penalized. The parties agree to arbitrate the issue of adequate referrals if it is raised by CONTRACTOR, pursuant to the arbitration provisions of this Agreement. DEPARTMENT shall pay CONTRACTOR at the rate CONTRACTOR alleges it would have been entitled to during the pendency of arbitration.

18. DEPARTMENT shall not reimburse CONTRACTOR for any offender whose length of stay extends beyond ~~180~~ 200 days unless specifically authorized and approved in writing by the PRC Contract Programs Manager or designee prior to the expiration of the ~~180~~ 200-day period. For good cause shown, as determined in the sole discretion of the PRC Contract Programs Manager, exercised in good faith, the DEPARTMENT may reimburse the CONTRACTOR beyond the ~~180~~ 200-day period. DEPARTMENT will assume custody of the offender at the end of the ~~180~~ 200-day period if the DEPARTMENT and CONTRACTOR have not come to an alternative agreement.
19. No Changes
20. CONTRACTOR shall reference the Contract number on all invoices and correspondence pertaining to this Agreement.
 - a. Invoice amounts shall be for up to thirty (30) state aftercare BOOTERS. These beds are in addition to the one hundred and thirty-five (135) male prerelease beds and the compensation paid to Contractor for these services are reflected in the total contract maximum amounts listed in Section 3(7) above. During FY ~~2008~~ 2010, the DEPARTMENT will be invoiced for BOOTERS at the rate of ~~\$48.72~~ \$50.20 per bed for the first fifteen (15) beds, and at a rate of ~~\$44.01~~ \$45.34 per bed for up to fifteen (15) additional beds. During FY ~~2009~~ 2011, the DEPARTMENT will be invoiced for BOOTERS at the rate of ~~\$49.69~~ \$50.20 per bed for the first fifteen (15) beds, and at a rate of ~~\$44.89~~ \$45.34 per bed for up to fifteen (15) additional beds. The amount of payment by the DEPARTMENT shall not be less than 75% of contracted bed space allowed. CONTRACTOR is authorized to collect and retain room and board charges from BOOTERS participating in the aftercare program, based on \$2.00 per day minimum and a maximum of 10% of net BOOTERS earnings, not to exceed \$10.00 per day. CONTRACTOR has the discretion to forgive all or a portion of charges based on their assessment of the individual BOOTERS ability to pay. CONTRACTOR agrees that BOOTERS being sent from TSCTC will not be screened prior to acceptance. Therefore, the DEPARTMENT agrees that it shall pay for reasonable charges for sex offender evaluations and treatment while the BOOTERS are in the aftercare program. It is recommended that evaluation and treatment for sex offenders be performed by a member of the Montana Sex Offender Treatment Association. Prior to making any commitment

for any services, the CONTRACTOR shall receive specific approval from the DEPARTMENT for any evaluation/treatment.

21. The conditions of reimbursement outlined above are effective for Fiscal Years ~~2008~~ 2010 and ~~2009~~ 2011. CONTRACTOR retains the right to renegotiate for Fiscal Year ~~2010~~ 2012 with the guarantee that compensation by DEPARTMENT will not be less than compensation paid in Fiscal Year ~~2009~~ 2011, subject to availability of funding. While the parties are renegotiating CONTRACTOR'S compensation, the DEPARTMENT shall continue to compensate the CONTRACTOR at the same rate as the previous fiscal year. After renegotiations have concluded, the DEPARTMENT shall compensate the CONTRACTOR at the new compensation rate retroactive to the beginning of the fiscal year.
22. In order to provide refinancing of the CONTRACTOR'S prerelease center facility and improvements to such facility in October, 1998 the CONTRACTOR requested the issuance of \$1,300,000 in tax-exempt bonds (the "Series 1998 Bonds") by the Montana Health Facility Authority (currently known as the Montana Facility Finance Authority and referred to herein as "MFFA") and a loan of the proceeds of the Series 1998 Bonds to the Contractor pursuant to Montana Code Annotated Sections 90-7-226 through 228. As security for the Series 1998 Bonds, The MFFA required a written contract for services between the CONTRACTOR and the DEPARTMENT, which was executed October 28, 1998 and approved by MFFA pursuant to Section 90-7-226(1) MCA (the "October 1998 Contract"). The October 1998 Contract required the DEPARTMENT commit to the following provisions during the term of the Series 1998 Bonds (and the DEPARTMENT hereby ratifies these commitments in this contract):
 - a. Payment by the DEPARTMENT for additional reimbursement for the cost of the new facility and the maintenance of a 115% debt service coverage for the MHFA Bonds. In addition, DEPARTMENT will review the CONTRACTOR'S yearly (audited) and quarterly (unaudited) financial statements (which the CONTRACTOR agrees to timely provide to DEPARTMENT for such review) to determine compliance with the Debt Service Coverage Requirement.
 - b. A guaranty of payment by the DEPARTMENT for 75% of the contracted bed space. The amount of payment is designed to cover the CONTRACTOR'S fixed costs for a guaranteed 75% of contracted bed space.
 - c. As part of the compensation and deducted monthly from the DEPARTMENT'S regular payments to the CONTRACTOR, on August 15th of each year, the DEPARTMENT shall pay, on behalf of the CONTRACTOR, to U.S. Bank National Association, as Trustee (the "Trustee") of the Bonds under an Indenture of Trust dated as of September 1, 1998, (the "Indenture"), the following amounts:
 - d. the principal of and interest on the Bonds coming due in the following 12 months;
 - e. the Program Expenses (as defined in the Indenture);
 - f. any amounts necessary to make the Reserve Fund and the Supplemental Reserve Fund equal to the Reserve Requirement (as defined in the Indenture);
 - g. any amounts due under a Capital Reserve Account Agreement between the MFFA and the Board of Investments (as defined in the Indenture); and 3(22) any amounts necessary to be paid into the Rebate Fund (as defined in the Indenture); less any funds accumulated in the Bond Fund (as defined in the Indenture).

The parties hereto agree that the provisions of the subsections 3(1) through 3(21) above are not intended to replace or conflict with the commitments stated in this Subsection 3(22). CONTRACTOR agrees to use its best efforts to provide bed space to maintain the occupancy and population consistency rates for DEPARTMENT referrals as described in Subsections 3(9) through 3(17) above.

23-24. No Changes

- ~~25. DEPARTMENT shall pay CONTRACTOR a one time payment of \$2.00 (two and 00/100 Dollars) per offender, per day, for actual population during the time period of October 1, 2007 through December 31, 2007 (92 days) for lost time not being able to charge the increased rate.~~
- ~~26. DEPARTMENT shall pay CONTRACTOR \$11.00 (eleven and 00/100 Dollars) per offender, per day, for offenders placed under GPS monitoring by CONTRACTOR.~~

27. PREVAILING WAGE REQUIREMENTS

1. Montana Resident Preference. The nature of the work performed, or services provided, under this contract meets the statutory definition of a "public works contract" in section 18-2-401, MCA. Unless superseded by federal law, Montana law requires that contractors and subcontractors give preference to the employment of Montana residents for any public works contract in excess of \$25,000 for construction or nonconstruction services in accordance with sections 18-2-401 through 18-2-432, MCA, and all administrative rules adopted in relation to these statutes. Unless superseded by federal law, each contractor shall ensure that at least 50% of a contractor's workers performing labor on a construction project are bona fide Montana residents.

The Commissioner of the Montana Department of Labor and Industry has established the resident requirements in accordance with sections 18-2-403 and 18-2-409, MCA. Any and all questions concerning prevailing wage and Montana resident issues should be directed to the Montana Department of Labor and Industry.

2. Standard Prevailing Rate of Wages. In addition, unless superseded by federal law, all employees working on a public works contract shall be paid prevailing wage rates in accordance with sections 18-2-401 through 18-2-432, MCA, and all associated administrative rules. Montana law requires that all public works contracts, as defined in section 18-2-401, MCA, in which the total cost of the contract is in excess of \$25,000, contain a provision stating for each job classification the standard prevailing wage rate, including fringe benefits, travel, per diem, and zone pay that the contractors, subcontractors, and employers shall pay during the public works contract.

The standard prevailing rate of wages paid to workers under this contract must be adjusted 12 months after the date of the award of the public works contract per section 18-2-417, MCA. The amount of the adjustment must be a 3% increase. The adjustment must be made and applied every 12 months for the term of the contract. This adjustment is the sole responsibility of the contractor and no cost adjustment in this contract will be allowed to fulfill this requirement.

OGT
06-30-2010

Furthermore, section 18-2-406, MCA, requires that all contractors, subcontractors, and employers who are performing work or providing services under a public works contract post in a prominent and accessible site on the project staging area or work area, no later than the first day of work and continuing for the entire duration of the contract, a legible statement of all wages and fringe benefits to be paid to the employees in compliance with section 18-2-423, MCA.

Section 18-2-423, MCA, requires that employees receiving an hourly wage must be paid on a weekly basis. Each contractor, subcontractor, and employer must maintain payroll records in a manner readily capable of being certified for submission under section 18-2-423, MCA, for not less than three years after the contractor's, subcontractor's, or employer's completion of work on the public works contract.

All contractors and employers shall classify each employee who performs labor on a public works project according to the applicable standard prevailing rate of wages for such craft, classification, or type of employee established by the Commissioner of the Montana Department of Labor and Industry, and shall pay each such employee a rate of wages not less than the standard prevailing rate as specified in the Montana Prevailing Wages Rates for Nonconstruction Services 2009. The booklet containing these 2009 rates is attached to this Contract and made a part thereof by reference. This information is also available electronically at the following address: <http://erd.dli.state.mt.us/laborsstandard/wagehrprevail.asp>.

3. Contractor must comply with all prevailing wage laws identified herein and associated with this contract including, but not limited to, 18-2-402 (3) which states: Whenever this part is applicable, the standard prevailing rate of wages may be equal to but not greater than the highest applicable rate of wages in the area for the particular work in question as negotiated under existing and current collective bargaining agreements.

This constitutes the Amendment to the Contract. All other provisions contained in the original Contract, as amended, shall remain unchanged.

15. During Fiscal Year 2007, from July 1, 2006 through June 30, 2007, should the CONTRACTOR maintain a bed occupancy rate of 90% and a male offender population consisting of at least 50% and no more than 65% originating from an "institutional" setting per month, the DEPARTMENT will pay CONTRACTOR a per diem rate of \$46.03 per offender, per day for male offenders from an "institutional" setting and \$41.88 per offender, per day for male offenders from a "non-institutional" setting and \$54.01 per offender per day for female offenders (6% increase overall).
16. During Fiscal Year 2007, from July 1, 2006 through June 30, 2007, should the CONTRACTOR maintain a bed occupancy rate of 95% and a male offender population consisting of at least 50%

and no more than 65% originating from an "institutional" setting per month, the DEPARTMENT will pay CONTRACTOR a per diem rate of \$47.69 per offender, per day for male offenders from an "institutional" setting and \$41.88 per offender, per day for male offenders from a "non-institutional" setting and \$54.01 per offender, per day for female offenders (8% increase overall).

17. To determine the bed occupancy percentage, male and female beds will be combined and Transitional Living services, Sanction beds, Aftercare beds, and Booter beds will not be included in this figure or in the offender population consistency percentage. CONTRACTOR will determine appropriate per diem pay plan to bill each month, and note this on their monthly invoice. DEPARTMENT will conduct random audits of CONTRACTOR'S monthly billing invoice. DEPARTMENT shall make adequate referrals to CONTRACTOR to allow CONTRACTOR to maintain a male bed occupancy rate of 95%. The parties agree to arbitrate the issue of adequate referrals if it is raised by CONTRACTOR, pursuant to the arbitration provisions of this Agreement. DEPARTMENT shall pay CONTRACTOR at the rate CONTRACTOR alleges it would have been entitled to during the pendency of arbitration.
18. DEPARTMENT shall not reimburse CONTRACTOR for any offender whose length of stay extends beyond 180 days unless specifically authorized and approved in writing by the Contract Programs Manager prior to the expiration of the 180-day period. For good cause shown, as determined in the sole discretion of the Contract Programs Manager, exercised in good faith, the DEPARTMENT may reimburse the CONTRACTOR beyond the 180-day period. DEPARTMENT will assume custody of the offender at the end of the 180-day period if the DEPARTMENT and CONTRACTOR have not come to an alternative agreement.
19. DEPARTMENT may withhold payments to CONTRACTOR for failure to perform in accordance with the terms of this Agreement. However, prior to withholding payment, DEPARTMENT shall notify CONTRACTOR and the MFFA (hereinafter defined), in writing, of its failure to perform. The notice shall specify acts or omissions constituting the default. If CONTRACTOR fails to remedy the default or submit an action plan deemed acceptable by the DEPARTMENT within 60 days of receiving notice, DEPARTMENT may withhold payments.
20. CONTRACTOR shall reference the Contract number on all invoices and correspondence pertaining to this Agreement.
 - a. Invoice amounts shall be for up to thirty (30) state aftercare BOOTERS. During FY 2006, the DEPARTMENT will be invoiced for BOOTERS at the rate of \$46.82 per bed for the first fifteen (15) beds, and at a rate of \$42.30 per bed for up to fifteen (15) additional beds. During FY 2007, the DEPARTMENT will be invoiced for BOOTERS at the rate of \$47.76 per bed for the first fifteen (15) beds, and at a rate of \$43.15 per bed for up to fifteen (15) additional beds. The amount of payment by the DEPARTMENT shall not be less than 75% of contracted bed space allowed. CONTRACTOR is authorized to collect and retain room and board charges from BOOTERS participating in the aftercare program, based on \$2.00 per day minimum and a maximum of 10% of net BOOTERS earnings, not to exceed \$10.00 per day. CONTRACTOR has the discretion to forgive all or a portion of charges based on their assessment of the individual BOOTERS ability to pay. CONTRACTOR agrees that BOOTERS being sent from TSCTC will not be screened prior to acceptance. Therefore, the DEPARTMENT agrees that it shall pay for reasonable charges for sex offender evaluations and treatment while the BOOTERS are in the aftercare program. It is recommended that evaluation and treatment for sex offenders be performed by a member of the Montana Sex Offender Treatment Association. Prior to

making any commitment for any services, the CONTRACTOR shall receive specific approval from the DEPARTMENT for any evaluation/treatment.

21. The conditions of reimbursement outlined above are effective for Fiscal Years 2006 and 2007. CONTRACTOR retains the right to renegotiate for Fiscal Year 2008 with the guarantee that compensation by DEPARTMENT will not be less than compensation paid in Fiscal Year 2007, subject to availability of funding. While the parties are renegotiating CONTRACTOR'S compensation, the DEPARTMENT shall continue to compensate the CONTRACTOR at the same rate as the previous fiscal year. After renegotiations have concluded, the DEPARTMENT shall compensate the CONTRACTOR at the new compensation rate retroactive to the beginning of the fiscal year.
22. In order to provide refinancing of the CONTRACTOR'S prerelease center facility and improvements to such facility in October, 1998 the CONTRACTOR requested the issuance of \$1,300,000 in tax-exempt bonds (the "Series 1998 Bonds") by the Montana Health Facility Authority (currently known as the Montana Facility Finance Authority and referred to herein as "MFFA") and a loan of the proceeds of the Series 1998 Bonds to the Contractor pursuant to Montana Code Annotated Sections 90-7-226 through 228. As security for the Series 1998 Bonds, The MFFA required a written contract for services between the CONTRACTOR and the DEPARTMENT, which was executed October 28, 1998 and approved by MFFA pursuant to Section 90-7-226(1) MCA (the "October 1998 Contract"). The October 1998 Contract required the DEPARTMENT commit to the following provisions during the term of the Series 1998 Bonds (and the DEPARTMENT hereby ratifies these commitments in this contract):
 - a. Payment by the DEPARTMENT for additional reimbursement for the cost of the new facility and the maintenance of a 115% debt service coverage for the MHFA Bonds.
 - b. A guaranty of payment by the DEPARTMENT for 75% of the contracted bed space. The amount of payment is designed to cover the CONTRACTOR'S fixed costs for a guaranteed 75% of contracted bed space.
 - c. As part of the compensation and deducted monthly from the DEPARTMENT'S regular payments to the CONTRACTOR, on August 15th of each year, the DEPARTMENT shall pay, on behalf of the CONTRACTOR, to U.S. Bank National Association, as Trustee (the "Trustee") of the Bonds under an Indenture of Trust dated as of September 1, 1998, (the "Indenture"), the following amounts:
 - d. the principal of and interest on the Bonds coming due in the following 12 months;
 - e. the Program Expenses (as defined in the Indenture);
 - f. any amounts necessary to make the Reserve Fund and the Supplemental Reserve Fund equal to the Reserve Requirement (as defined in the Indenture);
 - g. any amounts due under a Capital Reserve Account Agreement between the MFFA and the Board of Investments (as defined in the Indenture); and 3(22) any amounts necessary to be paid into the Rebate Fund (as defined in the Indenture); less any funds accumulated in the Bond Fund (as defined in the Indenture).

The parties hereto agree that the provisions of the subsections 3(1) through 3(21) above are not intended to replace or conflict with the commitments stated in this Subsection 3(22). CONTRACTOR agrees to use its best efforts to provide bed space to maintain the occupancy and population consistency rates for DEPARTMENT referrals as described in Subsections 3(9) through 3(17) above.

23. CONTRACTOR has requested financing by MFFA for an expansion of its facilities by the issuance of up to \$4,500,000 in aggregate principal amount of MFFA bonds (the "Series 2005 Bonds"). DEPARTMENT, by subsections 3(1) through (21) hereof has provided for the payment of services for such expansion and the DEPARTMENT hereby makes the same commitments as described in subsection 3(22) as security for the Series 2005 Bonds, with the understanding that the Series 2005 Bonds are issued under the provisions of the Series 1998 Indenture by a supplemental indenture and the Series 2005 Bonds are issued on a parity basis with the Series 1998 Bonds.
24. If the CONTRACTOR requests additional financing from MFFA for a prerelease center project through the issuance of additional bonds issued under the Indenture and secured, on a parity basis, by the provisions of this contract, then the commitments of the DEPARTMENT refinanced in Subsection 3(22) shall also apply to such additional bonds.

On or about March 1, 2007 and every two years thereafter during the term of this Agreement, the parties will meet to review the number of beds to be provided and the compensation rates described in Section 3 of this Agreement, as well as all other rates for services listed in this contract and, upon presentation of reasonable documentation, agree to amend the Agreement as necessary.
